

**The Churches of God have been deceived by Satan!
But nobody is awake to take note!**

Biblical Monotheism – One God Family (N.T. time) One God in One person/being (O.T. time)

The ONE God of O.T. time chose for himself a wife and entered into a marriage covenant with the slave nation Israel. Yes, there were problems in the marriage but God let it be known that with an everlasting love he will have compassion on her. 2000 years ago in the prophesied fullness of time, God chose the Israelite Virgin Mary to give birth to his firstborn Son Jesus. It is self-evident that Mary **MUST** have been the spiritually, legal wife of God. This then was the beginning of the true **Family of God**.

HWA / WCG* Twinitarian Teaching On God in Two person/Beings God is a Family NOT a Trinity**

God the Father existed from all eternity

God the Spokesman or God the Son existed from all eternity and became a human being through an incarnation***

God the Holy Spirit existed from all eternity, but is eliminated as a third person/being

*Herbert W. Armstrong (HWA) and the pre-1995 Worldwide Church of God (WCG) and most of its daughter churches today.

**Yes, the claim is made that God is a Family but in reality there is no Family

In O.T. time there was God (male) and his Spokesman (male) obviously not a family!

In N.T. time there was God the Father (male) and God the Son (male) obviously not a family!

Then there is God the Father (male) who has a Son (male) but has no wife (female)!

Then the claim is made that Jesus married the Nation Israel at Mt. Sinai. The marriage ended in divorce. Then Jesus died so he could get married again to N.T. Israel. A dysfunctional family at best! The Church who said: God is a Family – not a Trinity; cannot point to the Family of God as an example for they have no Family of God. How tragic!

Roman Catholic Trinitarian Teaching One God in three persons/beings God is a Trinity NOT a Family

God the Father existed from all eternity

God the Son existed from all eternity and became a human being through an incarnation***

God the Holy Spirit existed from all eternity

***When you have preexistence teaching as in Roman Catholic and HWA/WCG teaching you then need an incarnation to turn a God into a man. The fact of the matter is that there is no such thing as an incarnation. Incarnation exists only in mythology, not in the created order.
