

## AT THE KINGS TABLE

*The Supper of The Great God,  
The Marriage of the Lamb;  
His wife has been made ready,  
The seed of Abraham.*

*These things are coming shortly,  
They'll come as God has said;  
As long as we aren't sleeping,  
Our Christ will be the Head.*

*At the Table He has blessed,  
In perfect Love, we'll dine;  
The banquet He shall give us,  
For He is the True Vine!*

*The firstfruits of the Spirit,  
The changing of our name,  
The Purpose of our Father,  
Will still remain the same.*

*To celebrate in oneness,  
From human to Divine,  
The toasts that we'll be making,  
With God's own choice of wine.*

*This marriage will be sacred,  
It will come from above;  
The blessings will be showered,  
By God's own special love.*

*A Feast with Faithful Servants,  
The vision of our King,  
Inviting us to join Him,  
A New Life, He will bring!*
